**SCHOOL PROGRAM TO BE PRESENTED TO PEOPLE.**

In a letter to the newspapers of the state today R. W. Covart, Secretary of the Alabama Education Association, makes the following statement:

"The Alabama Education Association has a committee at work on the school program to be presented, when completed to the people of this state. Progress is being made in the study. Such large problems as are indicated below are receiving the attention of this committee:

1. Equalization: Which involves a study of many factors affecting the educational opportunity of children in all sections of this state—terms, trained teachers, buildings and equipments; variations in wealth and ability to support schools, etc.

2. Higher Education Needs. 3. Special and Corrective School Needs.

"Much time will be required to work out a program that meets the needs of the schools and at the same time come within the ability of the state to support it.

"Educational forces of the state are greatly encouraged by the interest in people everywhere who are manifesting our educational facilities. The Educational Dinner, which was so enthusiastically attended by hundreds of citizens from all parts of Alabama, will be followed up by gatherings of a similar nature in a number of centers throughout the state. Plans are now under way for these conferences.

"We are striving to make an educational progress for Alabama that will put this state on the map educationally in a much higher position than that which she now occupies. "The people of the state will be taken into full confidence in all proposals made."

**FIRE ALARM MONDAY.**

The fire alarm was turned in Monday about noon from the residence of Squire A. M. McCollough on Smith Avenue. Although it was out of reach of the water mains, Elba's volunteer department started for the scene. It is understood that only a small damage resulted from the flames.

**Coffee County Poor Houses**

"The Poor You Have With You Always."  
(By J. A. Carnley)

In August, 1864, Judge Starke was paid the sum of \$150 as ex officio services as Probate Judge for the year ending on May 24, 1864, this making him two years in office. Some of the books having been destroyed by burning of the Court House, Judge Starke was paid for making a tax collector's book and supplement, Lee & Beck were paid twenty dollars per month for the use of the upper and lower front rooms of their house for county offices, and R. P. Brooks was allowed \$80 for four months for county offices for four months ending August 4th, 1864. Malcolm Carmichael was paid \$70 for "furnishing coffin and burial materials for Martha Thomas, a soldier's widow. William Thomas, an old soldier pauper, was still being cared for by the County.

On September 12, 1864, the Court met again, and there being a vacancy in consequence of the death of Wm. F. Beard, Esq., an election having been gone into, Appleton H. Justice was elected to fill the vacancy.

The October term of the Court was engaged in distributing the public funds among the indigent families of soldiers. The Court met on Oct. 31, 1864 and adjourned from day to day for six days, doing nothing but make distribution of the public funds among the indigent families of soldiers. The adjournment order made repeatedly from day to day was for the distribution of the public funds not being completed the Court adjourned until 9 o'clock tomorrow morning. The last order of adjournment made on the sixth successive day was: "The distribution of the public funds not being completed the Court adjourned sine die."

Meeting again on Nov. 7th, 1864, the Court took up the matter of distributing the public funds among the indigent families of soldiers, and again adjourned repeatedly. This order: "The distribution of public funds not being completed." On Nov. 14, Judge B. W. Starke was allowed to receive "as remuneration for his services as probate judge for the month of November Eight Hundred Dollars for buying provisions and paying out monies to the indigent soldiers' families." He was also allowed \$806 for furnishing stationery for the Probate Judge Office "since the burning of the Court House."

At this time the following order was passed: "It is ordered by the Court that the Probate Judge pay to the different B. C. Agents 50 cents for each family reported by them and for paying out the soldiers' aid fund collected from the County." James D. McLean was appointed agent for Flat Creek Beat, No. 2, Luke R. Simmons for Wellborn Beat No. 4, and John H. Walker for Simmons Mill Beat No. 12.

At this term Sallie Sessions was declared a pauper, and it was ordered that the Probate Judge pay Mrs. Floyd Faircloth \$10 per month for "taking care of and supporting her." It was also ordered that "Old Mrs. Nancy Hilburn" be declared a pauper, and that she be allowed \$10 per month for support. It was also ordered that Sarah Brannen be declared a pauper and the same amount paid for her support, and the Judge of Probate was authorized to draw the County warrants to cover these expenses as he was called on to do so.

The Court met again on Dec. 16, and held four days making distribution again of the public funds to indigent families of soldiers and again adjourning from day to day on account of

**DEATH OF OUR FATHER.**

On last Monday morning about 8:30 o'clock the death angel visited our home and took thence from our father, Mr. Henry C. Bryan.

Father had been quite feeble for the past two or three years and on account of his advanced age was gradually growing weaker, however about three weeks ago he contracted a severe case of lagrippe and his strength was not sufficient to withstand this illness. He was 75 years of age on May 24th, last, and while he was born and reared in Pike County near Mossy Head, practically all his life since maturity had been spent in Elba.

Sharing with the writer the loss of our father is our brother Raymond V. Bryan, his wife and a large family. Father is also survived by two brothers, Y. L. Bryan, of Brundidge and L. S. Bryan, of Troy, and three sisters, Mrs. Carroll, of Troy, Mrs. Sanders of Spring Hill and Mrs. Burks, of Red Level, and a number of other relatives.

Funeral services were held Tuesday morning at the Methodist Church, having been conducted by the pastor Rev. E. C. Mahan, Baptist pastor. The body was laid to rest in Evergreen cemetery.

said Green be detailed from the army for the purpose of carrying out this contract."

A mass meeting or citizens' meeting was held at Elba on May 13, 1865. R. F. Cook was chairman and B. W. Starke was secretary and the following resolutions were unanimously adopted, namely:

"Resolved 1st. That this meeting recommend that the Judge of Probate distribute all the Tithes in the county due to the Confederate States amongst the indigent families of soldiers excepted back on in the hands of the Tax in Kind Agent at Elba, and that to be reserved and issued to the troops necessary to be kept in the county for our protection. The Commanding Officers giving proper Vouchers to the Agent for what they receive." (Signed) R. F. Cook, Chairman; J. B. Peacock, W. M. J. Kelley, J. F. Greaves, John G. Carpenter, J. M. Coon, J. P. Blue, J. I. Holway, D. D. Wise, J. T. Reynolds, N. F. Moore, R. B. McDonald, W. W. Peacock, A. G. Harmond, J. E. M. Kelley, J. M. Crosby, M. Brunson, W. H. Hudson, Wiley Williams, Jerre Warren, R. T. Teague, J. Riley, B. W. Starke, Wm. Paris, F. A. Knowles, Wm. Hutchison, W. F. Reynolds, P. Reynolds, Chas. Neaves, A. B. Bullard, M. C. Kimmey, H. W. Laird, J. E. Albritton, D. H. Morley, A. H. Justice, J. W. Hamd, James Coon, B. F. Mason, L. Brunson, A. E. Jones, J. H. Lee, R. D. Lee, S. J. Shields, Frank Bullard.

The Court passed the following order: "It is ordered by the Court that all the Tithes due the Confederate Government be distributed to the indigent families of soldiers in the county except the back on in the hands of the Tax in Kind Agent at Elba."

It was also ordered that "persons hauling corn for soldiers' families be entitled to one half the corn for hauling to Elba and less in proportion to distance." It was also made an order that the Judge of Probate have authority "to dispose of the Tithes of wool for the purchase of corn."

It thus appears that the County of Coffee was dealing with the innogen families of soldiers on the principle of Bible charity and Tithing. At this time it will be remembered that the country was in the 5 year of the civil war, and very soon is to come the news of the surrender.

**METHODIST CHURCH.**

On Wednesday, Jan. 27, there will be a district convocation of the Sunday Schools at Brundidge. Dinner will be served at the church. There will be no collections. If you are a man or a woman, boy or girl, you will be welcomed.

Owing to providential hindrances, the Quarterly Conference which was to be held last Monday will be held at Elba on Wednesday, Jan. 28 at 10 o'clock. Dr. Hurt will preach Wednesday night, Jan. 27.

The pastor has never been called to three funerals at one time before until this week. The Methodist and Baptist pastors together have helped to put away the infant child of Mr. and Mrs. Staley, and the eighteen year old daughter of Mr. and Mrs. W. M. Tucker, and the veteran, Mr. H. C. Bryan.

Mr. Bryan was the oldest in membership in the Methodist church. He was true to his God, his church and family. No one has ever mentioned him speaking some word of commendation with our church. His name is extended to all the bereaved families.

**Coffee Farmers Urged to Plant Food and Feed, and Less Cotton**

(By R. G. Arnold, County Agent.)

When the whole world is bent on planting cotton in 1926 including Missouri, Southern Illinois and West Texas, Coffee County farmers had better heed King Solomon's advice: The prudent man foreseeth danger and hideth himself but the foolish pass on and are punished."

The good year 1926 brings great prospects of good fortune to the hog and peanut grower, sweet potato and syrup grower, poultry man, dairyman and grower of all food crops, because everything and everybody have crawled on the cotton band wagon, which may break down or run in a ditch before the bag of gold at the end of the rainbow is reached.

Director Duncan of the Alabama Extension Service, Auburn, says "If every Southern farmer would produce a plenty of the living at home crops, there would be no cotton surplus." This we believe is the best and most practical system of acreage reduction in cotton.

We can assure the Coffee County farmers of a good market for syrup, potatoes, hogs, poultry and dairy products in 1926, but no being or organization or government under High Heaven can assure you of a good price for cotton grown in 1926. Let's reduce the acreage per plow and increase the fertilizer and prepare to poison the devil upon first appearance.

In order to assist in the weevil fight in Coffee County this year the farm bureau has already placed orders for a solid car of two row weevil dusting machines, and also a car of calcium arsenate. These will be sold at the lowest whole sale prices direct to the growers thereby cutting down expenses of fighting weevil.

A recent report from the Alabama Experiment Station shows that Rhyne's Cook has averaged the highest yield of lint cotton per acre for the past three years average of any wilt resistant variety. There were 13 varieties tested in South Alabama.

Inasmuch as 31 of our farmers bought Rhyne's Cook seed last year and have seed to sell this spring, I see no reason for any farmer ordering the best planting seed out of the county.

**Corn Variety Test.**

Whatley's Prolific seems to be the leading variety in yield per acre for South Alabama, and there are a few of our farmers who have this variety which they bought last season.

**Sweet Potato Variety Test**  
The Porto Rica or Nancy Hall or Triumph are all good yielding and marketable varieties and we would advise growers to order certified seed now. This will insure against disease.

See G. E. Lindsey for GEN-UNE OLIVER Plows and parts.

**CHRISTINE TUCKER, POPULAR ELBA GIRL, DIED SUNDAY.**

The people of Elba were deeply grieved Sunday afternoon when they learned of the death of Miss Christine Tucker at her home on Buford St. She was taken sick on January 15. A few days later the Doctor pronounced the disease typhoid fever. Her condition was considered serious for several days before her death.

On account of the serious illness of little Louise Tucker Christine's body was carried to the Baptist Church early Monday morning. At three o'clock Monday afternoon the service was conducted by Rev. T. C. Mahan, pastor of the Baptist Church, assisted by Rev. F. M. Lowrey pastor of the Methodist Church and Rev. T. W. McKnight. During the services Mesdames Meyer Rowe, C. P. Hayes and W. F. Cooper and Messrs Ernest Freeman, R. W. Fountain and H. C. Johnson sang, "Have Thine Own Way. It Is Well With My Soul and Sometime We'll Understand."

The active pall bearers were Messrs W. W. Ham, S. H. Brock, W. T. Whitman, W. O. Vaughn, J. C. Mays and M. C. Russ. The honorary pall bearers were members of the W. H. Y. Club of which she was a much loved member. The Senior and Junior classes of the High School came in a body to do honor to her as a devoted class mate and friend.

Christine was the older daughter of Mr. and Mrs. W. M. Tucker. She was 18 years old and would have graduated from the Elba High School at the close of this term. She was a member of the Baptist church and was earnest and conscientious worker in the church activities. It can truly be said of Christine, she was a sweet, pure Christian girl. Her Christian influence was felt in her home, among her friends and by every individual life with whom she came in contact. At the service her pastor paid her the following tribute: She was a loving dutiful daughter, she was a faithful consistent Christian, she was a true unfailing friend, she was a trusted honored pupil. Her life was high and clean and noble.

Interment was made at Evergreen.

## LITTLE LISTER BRUNSON ENTERTAINS AT PARTY—

Lister Brunson, the popular little son of Mr. and Mrs. W. M. Brunson, was host to a number of his little friends Friday afternoon honoring his fifth birthday.

Numerous games cherished by childhood were supervised by Misses Mabel Brunson and Eva Hammond. Late in the afternoon the guests were invited to the dining room which was beautifully decorated in patriotic colors in honor of the approaching birthday of the father of our country. Delicious brick cream and cake and red, white and blue mints were served by the little host's mother, assisted by Misses Brunson and Hammond. Attractive little plays were given to the guests as favors. Lister received many pretty gifts on this happy occasion.

WE CAN NAME for you hundreds of young women, married and single, who have made good in a wonderful proposition that will soon be placed before this entire county. These ladies' vision were not restricted to the world of good times. They LOOKED AHEAD and are today FAR AHEAD—because they realized this wonderful proposition could result in making their dreams come true.

IS ANYTHING more interesting than one's one future? This is something that will interest you mightily and prove of the utmost value toward building the success and prosperity that should rightfully be yours. You know there are a great many of us who have financial obligations to meet in our home life. We plan and scheme and no end to this planning and scheming seems to place us any closer to our goal. The trouble with most of us is that we cannot see an OPPORTUNITY when it presents itself to us. We allow it to slide out of our reach. Isn't that right?

NEXT WEEK this newspaper will carry a very interesting and comprehensive announcement telling you just how you may earn for yourself from \$500 to \$150.00 in just six short weeks' time. SOUNDS FABULOUS, doesn't it? And yet it is true. It is an honest and bona-fide offer, or it could not be thus made. All that is asked of you is to read every word of this gigantic announcement in next week's paper, which will take just about five minutes of your valuable time. It will not cost you ONE PENNY, and you will profit greatly. No undertaking ever launched in Coffee County before equals, or even approaches it in magnitude and liberality.

REMEMBER: You can make yourself what you will, Mendicant or Millionaire. "YOUR MIND IS THE KEY TO THE WHOLE WORKS" the combination that will unlock all your imaginations, initiative, genius, energy, faculties, talents, etc. UNLOCK AND UNLEASH YOUR POWER—ACHIEVE SUCCESS.

YOU ARE just where you are by the influence of your own mind. "Opportunity is a jolly jade"—she rises with every dawn, throws a kiss to the God of sunshine and then trips merrily on her way, tapping softly here and softly there—at the door of the humblest toiler, at the portals of the palace.

Think! THINK! THINK Then act at the psychological moment. Do not allow this wonderful opportunity of your whole career to pass unheeded. NEXT WEEK.

## Hudson Coach and Chevrolet Heads The Clipper's \$3,000.00 List of Prizes

Opening Gun Fired in Great "Salesman-ship Club," Lasting Only Five and One-Half Weeks. Besides 7 Big Awards a 20 Per Cent Commission Is Guaranteed

**CAMPAIGN OPEN TO EVERYONE; NOMINATE YOUR CHOICE NOW**

If You Are a Live Wire Get In and Win. Costs Nothing to Win, and You Positively Cannot Lose. Campaign Opens Soon and TODAY is Best Time to Start

The Elba Clipper wants to increase its circulation in Elba and Coffee County, as well as surrounding counties. We want 3,000 new subscribers, and we want them during the next few weeks. To accomplish this end in a short period of time we have inaugurated and announce in this issue our great "Salesmanship Club" Campaign—the biggest undertaking of its kind ever launched by a weekly paper in the State of Alabama.

The "Salesmanship Club" is just what its name implies. Potentially we are all salesmen, lacking only the big opportunity to turn this natural gift into profit.

Without investing one cent, either now or later, The Clipper offers to energetic men and women, married or single, of this section, the opportunity to test their ability in salesmanship. Experience is not necessary. All that is required is to utilize your spare time and energy.

One saleslady or salesman will be paid better than \$250 a week for his or her time; another \$100 a week, still another \$75 a week, and the rest will be paid sums ranging from \$15 a week on up, depending upon the amount of spare time and effort expended.

The easiest thing to sell today in Coffee County is The Elba Clipper, which is only \$1 for a year. It has been published here continuously for over 28 years, being the oldest newspaper in this county. People in every position, in all occupations, are just waiting for someone to call on them and ask them to subscribe for it, so whatever selling ability you may have can be tested now, with absolutely nothing to lose, but tremendous profits to be gained.

**An Unusual Campaign.**  
This will not be a "popularity" or "beauty" contest. It is a test of sales ability: everyone joining the club, and who remains active throughout the campaign (just five and one-half weeks) will be richly paid for effort put forth. Everyone wins either an award or a cash commission, the commission being 20 per cent of all money collected.

### Prize List a Big One.

The list of prizes is exceedingly attractive. The Grand Capital Prize is a brand new 5-passenger Hudson Super-Six Coach, costing \$1,310.00. This magnificent car was purchased of Blair & Miller Motor Co., of Elba, authorized Hudson-Essex dealers and as soon as it can be shipped in from Montgomery, will be on display at Blair & Miller's establishment. The Hudson, as a leader of fine motor cars in motordom today, needs no introduction. It goes to the Candidate in first place at the close of the campaign on March 12th.

**SECOND GRAND PRIZE**—The new improved Chevrolet Touring car, which is proving so popular in Southern Alabama, will be given candidate in second place at the close of the campaign. This car is worth \$631.87, has balloon tires, the Duo finish, etc., and was purchased from the Rainer Motor Co., Inc. of Elba and as soon as shipment can be made it will be on display at their showroom.

**THIRD PRIZE**—A very beautiful \$132.00 Diamond Ring, 18-kt. white gold mounting, with two small and one large perfect diamonds. A ring certainly worth winning. Purchased of and on display at the Whitman Drug Co., of Elba.

**FOURTH PRIZE**—A \$110.00 Freed-Eisemann 6-tube Neutrodyne Radio set. The very best in high grade set. Ask anybody. Purchased of and will be on display at Rainer Motor Co., Inc. of Elba.

### IMPORTANT

TO READERS OF THE CLIPPER

In the big double-page ad in this week's issue of The Clipper appears a "FREE VOTE COUPON" in connection with our campaign. If you do not intend entering the campaign yourself be sure to save this coupon this, and the one every week during the campaign for your favorite candidate, as every one is worth 200 Credits toward winning one of the big automobiles, and there is no obligations or restrictions to voting them. They are free and help some Candidate just that much toward winning.

Use them yourself, or save and give to your choice for winner of the Grand Prize, the Hudson Coach.

Co., Inc., Elba.

**FIFTH PRIZE**—\$26.75 Ladies 15-jewel white gold, elegant Watch. A guaranteed watch and good timekeeper. Purchased of Whitman Drug Co., Elba.

**SIXTH PRIZE**—\$26.75 Ladies 15-jewel white gold, elegant Watch. A guaranteed watch and a good timekeeper. Bought of Whitman Drug Co., Elba.

**SEVENTH PRIZE**—\$20 Gold Piece.

Besides the fine list of awards mentioned above, we have set aside \$500, which will be used to pay cash commissions to all active non-prize winners. You just can't lose in this club, as the commissions will be 20 per cent of all the money you turn in, provided you do not win one of the regular prizes.

### Open to All.

This Salesmanship Club is open to all ambitious men and women, young or old and married or single. It is not necessary to even be a subscriber to the Clipper to become a candidate for one of the prizes. It will not cost you one cent—now or later. The prizes are free and they will be given to the Club Members developing the best sales ability and the most credits.

### Will It Pay?

Will it pay the Clipper? That is a question that will naturally occur to all who read this astounding announcement.

Yes, it will pay! Not so much, perhaps, in dollars and cents right at the moment, but all dividends that are earned by a newspaper are not figured on a financial basis. During the campaign several hundred new subscribers will be added to our list which will mean an immediate enhancement to the potency of this newspaper as an advertising medium—the principal source of a newspaper's revenue. A large number of persons who will help us gather subscriptions during this campaign will be happier and richer in purse as the result, and there will be great satisfaction in all of that, because of the general good engendered and the prestige gained for this newspaper will be almost incalculable.

The campaign is of very short duration so that immediate action is necessary if you wish to capture that beautiful Hudson Super-Six Coach worth \$1,310.00, or one of the other fine prizes. Don't wait to see what the other fellow is going to do, but get right into the fray and battle for yourself right up to the finish.

Remember, this is not a popularity or beauty contest; neither is it a "something for nothing" scheme—in fact, it is a scheme at all. It is a straight-forward business proposition in which everyone who participates receives liberal compensation for that five and one-half week's work, that luxurious Hudson coach—that someone might as well be you. In any event you can't lose by trying. Send in your name, once—be the first in the field.

The campaign will be conducted from start to finish on a high plane of business efficiency. Other campaigns that have been staged in Elba in the past cannot be compared to this one. The standing of the candidates will be revised and published twice a week after the ball starts rolling.

### Campaign Short and Snappy.

This Campaign is not a long drawn out affair, extending over several months, and is of only five and one-half weeks' duration, closing on Friday evening, March 12.

This club and the work connected therewith will be more interesting and profitable than anything ever before undertaken in Coffee County. It will develop in many salesmanship ability, and it will be a start for some of the workers in the field of salesmanship, that, when fully developed, will open to them some of the most important and best paying business propositions in the country.

### Information and Assistance.

In order to give every one who joins this Salesmanship Club the greatest possible assistance the publisher has secured the advice of H. C. Bowers, member of the Missouri Griffin Syndicate of Memphis, Tenn., who is thoroughly experienced in this line of work and who will give his entire time and attention to those who desire to take part.

The Clipper is acting the Metcalf-Griffin organization to conduct the campaign, because of their recognized reliability and leadership in this work. Mr. Bowers was selected by us because of his personal record with his firm, with whom he has been connected for several years.

Headquarters have been established at the Clipper office.

Mr. Bowers will be glad to receive and go into detail with all who call who are interested in the campaign. He will give his undivided time and attention to those who join the club, answering all questions and giving all possible legitimate information and assistance.

Come in and see him personally. Secure first-hand information as to how to go about winning one of the valuable automobiles or prizes. If not convenient to call, clip the nomination coupon appearing in the big double-page advertisement elsewhere in this issue and mail to the Campaign Department, Box 71, Elba, Ala., and we will gladly see that you are fully informed of the entire plan. Do it now—TODAY!

### ELBA CHAPTER O. E. S. ENJOYS SOCIAL.

Elba Chapter of the O. E. S. held a social in the Chapter room Wednesday evening. Two of the grand chapter officers were to have been guests of honor of this occasion and a School of instructions was to have been conducted. Owing to a bereavement of a near relative of the Worthy Matron of the local Chapter the school of instructions and visit of the grand officers was postponed. A number of local guests enjoyed the social with the Chapter members. A delicious plate of food was served. The appearance of the Chapter room has been recently improved by the hanging of handsome draperies and some other minor things.

Little Terry Douglas Kendrick Jr., the infant son of Mr. and Mrs. Terry Kendrick died at their home Tuesday at 8 P. M. The funeral service was conducted by Rev. T. C. Mahan and Rev. F. M. Lowery at the home Wednesday at 2 P. M. The many friends of Mr. and Mrs. Kendrick deeply sympathize with them in their sorrow.

### PAVING ORDERED BY COMMISSIONERS COURT.

At the adjourned meeting of the Court of County Commissioners at Enterprise last Thursday it was ordered that Coffee County co-operate with the Town of Elba and the State Highway Commission in paving the Square in Elba. The Town Council of Elba has already taken action in this matter, and the State Highway Commission has agreed to pay part of the costs of this paving, putting the State Highway funds into the paving instead of the clay-gravel around two sides. This will be considerable help by the State and the Town of Elba will pay one third, the property owners one third, and the County of Coffee one third, after deducting from the entire costs the State Highway funds to be used.

A preliminary survey has been made by the State Highway Commission and the cost estimate made, but not yet reported. The County of Coffee owns Court Square and this paving adjoins or abuts Court Square, and the County will pay one third of the expenses of the paving after the amount to be allowed by the State has been taken off the cost of paving the entire square.

The Court House is situated in the center of Court Square, surrounded by a beautiful grass lawn, and when this paving is done, we dare say so County or town will have such a beautiful County seat as we have in Elba.

Mr. G. E. Ryan spent the week end in Elba with relatives returning to Birmingham Monday.

Mr. and Mrs. S. H. Brock spent Friday night in Opp guests of Dr. and Mrs. J. C. McLeod.

Two rooms for rent. Call Mrs. J. O. Shealey.

Mr. Y. W. Rainer made a business trip to Troy Monday.

Rev. T. C. Mahan and Rev. T. W. McKnight went to Newton Tuesday to attend a ministers' institute.

Mrs. Mac Stewart and little son of Georgianna were the week end guests of Mrs. O. Dowling.

### EDITORIAL

#### THE WHY OF OUR CAMPAIGN

In announcing our bigger and better campaign this week The Clipper has taken a bold step forward, but after repeated requests from the friends and readers of the paper to launch a campaign which would be above the average, we feel confident that our friends will rally round and help put our campaign over the top in grand style.

It is our aim and desire to conduct this campaign in a manner which will please the good people of Coffee County, and for that reason we have taken considerable time and trouble to secure a reputable and responsible organization to do the detail work, and use a system that will be fair to all. The manager we have employed for this campaign comes to us very highly recommended, and we believe that he will show due fairness and courtesy to all contestants.

We trust that there will be no unpleasantness to mar the good feeling that we wish to prevail to the close of the campaign. In conclusion we will assert that we are planning to give the people a better paper in the near future than they have been accustomed to before, and this big campaign is but the first step toward the goal.

Your co-operation will be appreciated.
